

SIA VMF LATVIA list of services and tariffs from 01.01.2024.

SERVICES	Description of service	Tariff EUR (not included VAT)					
		Day h	Night h	Holidays h	m3	unit	km
1. Individual measurement							
1.1. Individual measurement with automatic device, stationary place	VMF KR P 004.10	26.45	33.65	42.35			
1.2. Individual measurement with automatic device, mobile place	VMF KR P 004.10	32.19	39.92	47.66			
1.3. Individual measurement with hand tools, stationary place	VMF KR P 004.13	24.64	36.97	49.29			
1.4. Individual measurement with hand tools, by demand	VMF KR P 004.13	38.28	57.41	76.55			
1.5. Individual measurement with hand tools, forest measurement	VMF KR P 004.13	38.28	57.41	76.55			
Additional services to individual measurement							
1. Extra calibration of automatic measuring device	VMF KR P 004.10	27.11	40.67	54.21			
2. Additional service (marking)					0.10		
2. Stack measurement							
2.1. Stack measurement, stationary place	VMF KR P 004.14	25.85	33.29	40.74			
2.2. Stack measurement, mobile place	VMF KR P 004.14	28.60	42.90	57.20			
2.3. Stack measurement, by demand (inventarisation)**	VMF KR P 004.14	34.75	52.13	69.50			
2.4. Stack measurement, port terminals	VMF KR P 004.14	28.05	35.61	43.16			
2.5. Stack measurement - outgoing wood	VMF KR P 004.14	28.60	42.90	57.20			
2.6.1. Stack measurement, photo method	VMF KR P 004.16				0.25		
2.6.2. Stack measurement, photo method (accelerated preparation of Measurement Report)	VMF KR P 004.16				0.30		
2.8. Chips fractionation **	VMF KR P 004.14	27.11	40.67	54.21			
2.9. Stack measurement using drone photogrammetry (wood chips)***	VMF KR P 004.20	197.75					
Additional services to stack measurement							
1. Wood chips sampling	VMF KR P 004.14	28.60	42.90	57.20			
2. Determination of moisture content (10 samples)	VMF KR P 004.14					35.00	
3. Determination of ash content (1 sample) *	VMF KR P 004.14					40.00	
4. Determination of calorific value (1 sample) *	VMF KR P 004.14					70.00	
5. Determination of volumetric density (1 paraugi) *	VMF KR P 004.14					20.00	
6. Determination of bark content (2 samples) *	VMF KR P 004.14					15.00	
7. Round wood control measurements	VMF KR P 004.14	28.60	42.90	57.20			
8. Draft survey (1 vessel) *						till 645.00	
9. Measurement Report preparation when determining volume with automatic measuring devices*	VMF KR P 004.14				0.01		
3. Measurement system control of round wood harvesting equipment							
		39.00	50.05	61.08			
4. Other services							
4.1. Re-measurement of volume	VMF PR P 8.4.01.03					250-300	
4.2. Consultation		50.00					
4.3. Preparation of manual Measurement Report						42.69	
5. Special demands							
5.1. Driving to measurement place (driving time and km)		12.00					0.25

* The cost of the service depends on the price list of the subcontractor's services, which it determines individually, and which must be taken into account when calculating the total cost

** If it is not included in basic service

***The service is applicable together with 5.1. service
